

"FRESH START PROGRAMME"

"To keep a lamp burning, we have to keep putting oil in it." Mother Teresa

Our **"Fresh Start"** Programme offers an effective and convenient way to support refugee families arriving in New Zealand and giving on a monthly basis is the best way you can help us to achieve our long term goals. For as little as \$15 per month, your donation will allow us to ensure that Refugee Services can provide the best support possible for our refugee clients so that they can most successfully resettle, prosper and grow.

How Does It Work: You have two options, you can create an automatic payment so that each month a contribution is transferred from your account to Refugee Services on the day you want the transaction to occur, or we can charge your credit card either at the beginning or the end of each month – whatever is most convenient for you. You can increase, decrease, or suspend your gift amount at any time. We would just appreciate you letting us know. Phone (04) 815 9100 or email karly.christ@refugeeservices.org.nz.

- **It's effective:** You help us cut down on administrative costs and put more resources towards our service provision.
- **It's convenient:** You chose when and how much. It is flexible to work with your finances and your needs.
- **It's worry-free:** It is automatically deducted from your bank account so there is no concern about making payments.
- **It works for you:** You can budget more easily and build a larger tax deduction. And now, thanks to the recent change in tax limits, ALL your gifts are tax deductible.

*We hope you will consider being a part of the **"Fresh Start" Programme** but we are extremely grateful for your continued support in any capacity.*
